

BOYD & BLAIR

ALL HEART SINCE 2008

A vodka named the world's best not once but three times.

# POTATO VODKA

- Crafted from locally grown potatoes and champagne yeast
- Never made with heads or tails of the distillate—just the hearts
- Creamy texture and slightly sweet flavor

Enjoy it in your favorite cocktail, on the rocks or even neat (*yes, neat!*).

“To convincingly prevail against the world’s finest vodkas from nations such as Poland, Sweden and Russia is nothing short of historic.”

— F. Paul Pacult
